Through our national/international support groups and regional peer support offerings, the CurePSP community is here to empower and assist you as you navigate life with PSP, CBD or MSA. CurePSP maintains a library of educational resources, which you can download or order, to offer guidance and tools for life with PSP, CBD or MSA.

- **Research:** CurePSP has a comprehensive plan and supports research that may ultimately find treatments and cures for PSP, CBD, MSA and related neurodegenerative diseases. <https://www.psp.org/iwanttolearn/research>
- **CurePSP TV:** CurePSP offers Ask the Expert webinars, Family Conferences, Wellness Wednesdays and more as opportunities for education on PSP, CBD and MSA. [CurePSP YouTube Channel Archive](#)
- **Newsletter:** The bi-annual CurePSP Connection newsletter helps keep our community updated on the latest stories and news from the foundation. [Sign up for the newsletter by clicking here!](#)
- **Educational Resources:** The Digital Resource Library Contents can be viewed and downloaded at <https://www.psp.org/resource-library>. Printed material can be ordered [here](#).
- **Additional Support:** For more information about respite care, centers of care, bereavement support, support groups, and the brain donation program, click here: <https://www.psp.org/ineedsupport/>
